

# Illia Sotnyk

QUALITY ASSURANCE AUTOMATION ENGINEER / SDET

368-399-4694

[illia.sotnyk@gmail.com](mailto:illia.sotnyk@gmail.com)

EDMONTON, AB

---

## PROFILE

QA Automation Engineer with 10 years experience in manual and automated testing for a variety of products and platforms, including Desktop apps, Web apps and Mobile apps (both iOS and Android). Used to implement test frameworks from scratch. Was able to maintain the quality of the project from zero to successful MVP while leading the QA subteam. Have passion for software quality along with flexibility to meet business needs.

---
